ONEIDA RECREATION DEPARTMENT’S WALKING & RUNNING CLUB REACHES NEW HEIGHTS IN 2024

Oneida, WI - June 2024: The Oneida Recreation Department’s Walking & Running Club has achieved significant milestones this year, offering unique opportunities for youth in the community and fostering a sense of unity and engagement among participants.

Spring Session and Bellin 5K Race: The Walking & Running Club began its spring session in March, leading up to the Bellin 5K race on June 8th. Over 14 weeks, the club had 87 youth in the program, who participated a total of 374 times. A dedicated group of 19 youth represented the Walk & Run Club as the Oneida Recreation Team in the Bellin run, showcasing their commitment and hard work.

Fall Session and Turkey Trot: In September, the club resumed activities to prepare for the annual Turkey Trot held on Thanksgiving morning. The fall session saw 97 youth in the program, who participated a total of 364 times over 15 sessions. These sessions, held on Mondays and Wednesdays, lasted between 10 to 45 minutes, and included both walking and running activities. The club ensured that walkers were equally supported, fostering an inclusive environment.

Special thanks to the following departments for providing additional vehicles throughout the past year:

- Oneida Comprehensive Housing Outreach Department
- Oneida Family Services Department
- Oneida Transportation Department
- Additionally, a huge thank you to the Schneider Foundation for their generous support, which has been instrumental in making these opportunities possible for our youth especially for Bellin 5k.

Looking Ahead: The club takes a winter break after the Turkey Trot and plans to resume in March, weather permitting. The spring sessions will include training for the next Bellin 5K race, continuing to provide valuable opportunities for the youth in our community. The Oneida Recreation Department is dedicated to building on the successes of the past year.

MISSION: TO PROVIDE QUALITY SERVICES AND ASSISTANCE IN THE DELIVERY OF ENTITLEMENTS AND BENEFITS DUE TO OUR VETERANS AND THEIR FAMILIES.

The Oneida Veterans Services Department is dedicated to providing quality services and assistance in the delivery of entitlements and benefits due to our Nation's veterans and their families. We accomplish this mission by consistently working to improve our processes for filing paperwork, and by learning about and providing resources for veterans throughout the state of Wisconsin. By working in collaboration with various chartered veterans' associations within Oneida, the Oneida Veterans Services Department provides community outreach in the forms of weekly Friday morning breakfasts and various Pig Roasts and Booyah events throughout the year.

The end of 2024 proved to be a busy time of the year for Veterans Services. In November, we assisted Oneida VFW Post 7784 and the Wisconsin Indian Veterans Association and ONVAC in hosting a Veterans Day Booyah Event for our community veterans and their families. We also had great success with Toys for Tots, donating nearly \$4,000 worth of new toys and clothing. On December 13th, we were joined for breakfast by representatives from the Marine Corps, Kalihwisaks, as well as a local news crew from NBC 26, where the donations were picked up to be distributed. For more information, or if you have any questions, please feel free to reach out to Connor Kestell or Joe Valentino. Or visit: Oneida Nation | Veteran Services and Resources (oneida-nsn.gov)
