

Facilities Maintenance & Repairs

Project Description:

This project encompasses various maintenance and repair activities on Oneida Nation facilities and properties. These projects are funded under the Division of Public Works Building Maintenance & Repair budget.

Current Projects:

- **Parking Lot Repairs/Replacements**—Design work is currently under way for the following parking lots with construction anticipated during the summer/fall of 2025:
 - Oneida Community Health Center (South Lot)
 - Norbert Hill Center
 - Skenandoah Complex (Lower Lot)
 - Community Education Center
- **Oneida Family Fitness Elevator**—Otis Elevator Company is currently under contract to replace the Family Fitness elevator. Demolition work began in February, with the new elevator installation anticipated to occur in late winter/early spring of 2025.
- **Veterans Services Building Roof Replacement**—D&T Construction is currently under contract for work to replace the roof at the Oneida Veterans Services Building. Work is anticipated to take place in the spring of 2025
- **Mission Park Improvements**—Work at Mission Park is currently being planned for the Spring/early Summer of 2025. Proposed improvements include the following:
 - Various maintenance items to the buildings on site.
 - Reconstruction of the dugouts on both fields.
 - Reconstruction of the scorer's box.
 - New infield mix for both fields.
 - Addition of warning tracks to both fields.
