Summary:

We are scheduling Community meetings leading up to the General Tribal Council meeting. The scheduled in-person dates are February 19th, March 19th, and April 16th, 2025. Additional sessions will be held in April in accordance with the plan as it relates to specific categories of community, such as elders, veterans, youth, etc. Lastly, virtual sessions are also under development for those who are not able to participate in person.

Impact:

We will start gathering input and data from community members. The first round of community input sessions will focus on collecting information as it relates to the identified problem (i.e., decreasing enrollment numbers over time under current requirements). The "first round" of community input sessions will be held between February – April 2025.
