

Protect Our Tribe: End Drug Abuse

How to dispose of unused and expired medications in your Rx Destroyer pouch

1 Load unused or unwanted medications into Rx Destroyer pouch.

An illustration showing a hand dropping several white and blue pills into a white Rx Destroyer pouch. The pouch has a green bottom section and a red cap. A green arrow points from the hand to the pouch.

2 Secure cap back on the pouch and gently agitate.

An illustration of an Rx Destroyer pouch with its red cap secured. The pouch is shown with motion lines, indicating it is being agitated. The pouch has a green bottom section and a red cap.

3 Continue to fill the pouch with medications until contents reach 2" from the top.

An illustration showing an Rx Destroyer pouch being filled with medications. A curved arrow indicates the process of adding more pills to the pouch. The pouch has a green bottom section and a red cap.

4 Continue to add medications until full. Once full, discard.

An illustration of an Rx Destroyer pouch being discarded into a trash can. The pouch is shown with motion lines, indicating it is being thrown away. The trash can is blue.

This poster is intended for home use and the ultimate user. These instructions DO NOT universally apply to DEA registrants or their facilities.
