

FY-2025 3rd Quarter Report

TRIBAL ACTION PLAN

Outcome/Goal # 1

Increase awareness and access to Harm Reduction

MEASUREMENT:

ACCOMPLISHMENTS RELATED TO THE OUTCOME/GOAL:

In an effort to save community member's lives, TAP distributes Harm Reduction materials such as Narcan (Naloxone) kits, Deterra drug deactivation pouches, syringe boxes, medication lock boxes and fentanyl testing strips. During this reporting period TAP staff have distributed 108 Narcan kits (2 doses per kit), 30 Deterra drug deactivation pouches, 324 Fentanyl testing strips, and 216 Xylazine testing strips. Another form of harm reduction is STD/STI testing. Unfortunately, during this quarter, we didn't have the STD/STI home testing kits in stock. The TAP staff is State Certified to train Narcan administration and obtains Narcan from the Narcan Direct Program through Oneida Behavioral Health.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

TAP will continue to educate and promote Harm Reduction awareness for the Oneida

Community. The TAP team provides training and distributes Harm Reduction materials at One Stop retail as well at community events. TAP has facilitated Harm Reduction Training and Narcan Training for internal departments as well as external organizations upon request. TAP staff will proceed to provide harm reduction materials, at the lowest threshold possible, to make this life saving medicine available to community members in need.

Outcome/Goal # 2

Develop engaging community events to connect to culture

MEASUREMENT:

ACCOMPLISHMENTS RELATED TO THE OUTCOME/GOAL:

TAP staff collaborates with various departments to host cultural events. At these events, we provide activities that focus on healing and recovery such as storytelling, arts and crafts, and interactive activities. In collaboration with Family Services, Vocational Rehabilitation services, Recreation, Library, Cultural Heritage, Tourism, and Oneida Community Advocates we coordinate events. During this reporting period, TAP collaboratively coordinated the MMIR Awareness Walk, Two Spirit Events, Ribbon Skirt and Shirt classes, Mental Health Awareness Event, and a Regalia class. The attendance total of all the events is 536.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

TAP will continue to facilitate and collaborate events with departments within and outside of the nation. By continuing these efforts TAP can coordinate events to expand our prevention efforts. Our Upcoming collaborative events include Youth Mental Health, Kunhiyo, Overdose Awareness, and Recovery Month events.

Outcome/Goal # 3

Culture is Prevention

MEASUREMENT:

ACCOMPLISHMENTS RELATED TO THE OUTCOME/GOAL:

TAP has also collaborated with Oneida Cultural Heritage on the Ceremony Education events once a month. Within this reporting period, Seed Ceremony and Strawberry Ceremony overview with 52 in attendance. Due to a community death, Great Law was rescheduled to July.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

TAP's continued presence within the nation on culture events will allow others to engage in healthy activities with culture to reinforce TAP's mission and goals. Culture is prevention and we'll continue to promote and encourage Oneida culture in our efforts. In a collaborative effort with Cultural Heritage, we'll continue to have ceremony education with an upcoming Funeral Teachings and Kalihwiyo overview. TAP hopes to continue to encourage the Oneida community to engage in our ceremonial teachings.
