

CIP #24-112 - Tsyunhehkwa Greenhouse Repairs

Project Description:

The project involves extensive updates to the Tsyunhehkwa Greenhouse structure located at N139 Riverdale Drive, Oneida, WI 54155. The structural framing members of the existing 24' x 48' greenhouse remain in solid condition, but many of the other materials and components need to be replaced due to age. To perform this update, the General Contractor will contract directly with United Greenhouse Systems (UGS) to complete a majority of this updates. Additionally, various mechanical, electrical and plumbing related tasks will be modified/ updated to complete the greenhouse renovation.

The awarded General Contractor is: Oneida Construction Services, LLC.

Current Status:

The Contractor has issuing sub-contracts and reviewing material lead times with United Greenhouse system. Engineering is awaiting a construction schedule from the General Contractor. It is anticipated that work will commence in the next 3-4 weeks.

DPW Plumbing is in process of re-locating the existing pressure tank and related plumbing components to the adjacent CPU building.

Schedule:
