

CIP #24-112 - Tsyunhehkwa Greenhouse Repairs

Project Description:

The project involves extensive updates to the Tsyunhehkwa Greenhouse structure located at N139 Riverdale Drive, Oneida, WI 54155. The structural framing members of the existing 24' x 48' greenhouse remain in solid condition, but many of the other materials and components need to be replaced due to age. To perform this update, the General Contractor will contract directly with United Greenhouse Systems (UGS) to complete a majority of this updates. Additionally, various mechanical, electrical and plumbing related tasks will be modified/ updated to complete the greenhouse renovation.

The awarded General Contractor is: Oneida Construction Services, LLC.

Current Status:

The new polycarbonate panels have been installed, fans & unit heaters are mounted and the control system is in place. The following tasks remain to complete the project:

- ◇ Reconnect mechanical and electrical to new equipment/ controls
- ◇ Install downspouts

DPW Plumbing re-located the existing pressure tank and related plumbing components to the adjacent CPU building.
