

Family Pod Oneida Hymn Singing Program

I am interested in joining the Family Pod Oneida Hymn Singing Program!

I will commit to a minimum of one practice session per month with my family and/or friends in my home or community location. I understand weekly or bi-weekly practice sessions are encouraged. Our Pod will listen to the digitized hymns on the Oneida website located at (Oneida-nsn.gov/Oneida-hymn-singers) and/or CD and follow along in the hymn books provided by the Oneida Hymn Singers. I acknowledge that our pod will be expected to present one song at the end of the 6 month period to the entire group of participants. This will take place in January of 2027 at the Oneida Hotel. Date to be determined.
