

PUBLIC MEETING NOTICE – 9am, Thurs., July 23, 2026

In accordance with the Administrative Rulemaking Law, the Digital Technology Services Department is hosting this Public Meeting to gather feedback from the community regarding THE FOLLOWING PROPOSED RULES to the Technology Resources Law

This is a proposal to adopt rules which would:

- Establish clear standards for responsible and secure use of digital technology.
- Promote data protection and reduce the risk of unauthorized access or data breaches.
- Ensure proper tracking and disposal of IT assets.
- Require ongoing security awareness training for employees.
- Regulate secure access and evaluate risk for vendors and third-party providers.
- Govern the ethical and secure use of generative AI technologies.

Individuals may attend the public meeting for the proposed amendments to the Technology Resources Law in person at the Skenandoah Complex or virtually through Microsoft Teams (MT). If you wish to attend the public meeting through MT, email infosec@oneidanation.org

For more information on the proposed Technology Resources Law amendments, please review the public meeting packet at www.oneida-nsn.gov/Register/PublicMeetings or email infosec@oneidanation.org for electronic copies.
