(Brown County/Oneida Nation) – A Disaster Recovery Center (DRC) will open in the Green Bay area to assist individuals who have uninsured losses or emergency needs related to the April 13 – 23, 2026, storms and flooding. At a DRC, you can get help applying for federal assistance, get connected or speak to representatives from Brown County, Oneida Nation, as well as state and federal agencies, receive updates on your FEMA application for assistance, and learn about the appeals process. The deadline to apply is August 31, 2026.

The center will open on Monday, July 20th, 2026, and run until Friday, August 14th, 2026, at:

Northeast Wisconsin Technical College Public Safety Training Center Room GBP111/113
2565 Larsen Road, Green Bay WI 54303
Parking available behind the public safety training center
Monday through Friday: 8:00 AM to 6:00 PM

Early closure at 3PM on July 23rd and July 29th

FEMA financial assistance may include:

- Money for basic home repairs;
- Personal property losses; or
- Other uninsured disaster-related needs such as:
 - Childcare, transportation, medical needs, funeral, or dental expenses.

Those who apply for FEMA assistance will receive a letter by mail or on their [DisasterAssistance.gov](https://disasterassistance.gov) account. If the letter says you “cannot be approved” for some categories of assistance, it does **not** mean that you have not been approved for assistance. It is important to read the letter carefully as it will explain your application status and advise what you need to do to continue the process.

You are not required to go to a Disaster Recovery Center to receive FEMA assistance. The fastest way to apply is by going online at DisasterAssistance.gov or the Spanish language DisasterAssistance.gov/es. You can also call 800-621-3362. After applying, create an online account at DisasterAssistance.gov or DisasterAssistance.gov/es to check your status tracker for updates and upload documents requested by FEMA to move your application forward.

If you need more information or additional help:

- Download the [FEMA app](#) to complete your application and find other resources.
- Call the FEMA Helpline at 1-800-621-3362 for assistance in multiple languages.

If you use a relay service, such as video relay, captioned telephone or other service, give FEMA your number for that service. To view an accessible video on how to apply, visit [What You Need to Know Before Applying for FEMA Assistance](#).
