### **Emergency Adoption of the Probate Law**

On April 22, 2026, the Oneida Business Committee adopted the Probate law on an emergency basis through the adoption of resolution BC-04-22-26-E. The emergency adoption of the Probate Law was sought for the immediate preservation of the safety and general welfare of the Reservation population. Recent amendments to the Real Property Law removed all probate provisions and the related delegation of rulemaking authority that Oneida had historically relied upon to administer estates. As a result, the Nation’s clear legal authority and established process for handling probates were effectively eliminated. Historically, probate administration continued through temporary measures, most notably by resolution, which inserted a comprehensive stand-in probate process into the Real Property Law when that law lacked sufficient procedural detail. By fully deleting probate provisions without the simultaneous adoption of a standalone probate law, the amendments created a gap in which Oneida would no longer have an express, workable

legal framework to process probates, determine heirs, resolve disputes, or administer land succession. Emergency adoption of a separate Probate Law is therefore necessary to immediately restore tribal jurisdiction, authority, and an official probate process and to ensure that estates continue to be administered by Oneida rather than defaulting to state or federal systems.

The Probate law re-establishes tribal probate jurisdiction, affirm Oneida's sovereign authority over inheritance, and ensure continuity of an official, enforceable probate process administered within Oneida law and institutions following removal of probate from the Real Property Law. [6 O.C. 613.1-1; 613.1-2; 613.2-4]. The Probate law:

- Affirm tribal sovereignty over inheritance and probate by explicitly characterizing property disposition at death as an exercise of self-governance and prioritizing tribal custom, tradition, and member control over property succession. [6 O.C. 613.1-1; 613.1-2].
- Establishes a single, comprehensive tribal probate system governing how estates of covered decedents are administered, whether the decedent died with or without a will. [6 O.C. 613.1-1(d); 613.3-1].
- Ensures tribal law controls over conflicting tribal documents and enactments, while recognizing that applicable federal law remains supreme where required. [6 O.C. 613.2-4(a)–(b)].
- Applies beyond enrolled members to include spouses, children, persons eligible for enrollment, and deceased persons owning real property within Reservation boundaries. [6 O.C. 613.4-1].
- Asserts tribal jurisdiction over non-trust property of covered decedents located within the Reservation, to the extent that federal law does not confer exclusive U.S. jurisdiction. [6 O.C. 613.5-1].
- Allows tribal members with fee land to opt into state probate law, while requiring tribal probate procedures for trust land held within the Reservation. [6 O.C. 613.6-1(a)–(b)].
- Prohibits inheritance of trust land by non-members and non-U.S. citizens, preventing transfer of trust property outside the tribal community. [6 O.C. 613.6-2].
- Provides mitigation options for ineligible heirs by allowing sale of trust interests to the Nation or eligible heirs at fair market value, or by granting limited life estates to ineligible spouses or minor children. [6 O.C. 613.6-2(a)–(b)].
- Authorizes sale of interests where heirs cannot be located, with proceeds returned to the estate for proper distribution, reducing unresolved or fragmented ownership. [6 O.C. 613.6-3].
- Mandates escheat of property to the Oneida Nation where no valid heirs or devisees exist, directly supporting land consolidation and long-term tribal control. [6 O.C. 613.6-4].
- Exempts culturally significant and low-value personal items from formal probate, allowing family distribution of traditional and ceremonial property outside the probate process. [6 O.C. 613.6-5(a)–(b)].
- Vests primary probate authority in the Land Commission, empowering it to determine heirs, approve or disapprove wills, adjudicate creditor claims, accept renunciations, and decree final distributions. [6 O.C. 613.6-6(a)–(e)].
- Creates a detailed probate procedural framework, including mandatory filings, notice requirements, public posting, and participatory consensus-based hearings for dispute resolution. [6 O.C. 613.6-7; 613.6-10].
- Codifies a specific intestate succession hierarchy, prioritizing spouses and direct

descendants and extending through parents, siblings, grandparents, and more remote relatives before escheat. *[6 O.C. 613.6-9(a)–(f)]*.

- Provides layered review, rehearing, and appeal rights, including administrative rehearings, judicial appeals, and limited reopening of cases for lack of notice or omission of heirs. *[6 O.C. 613.6-11; 613.6-13; 613.6-14]*.

The emergency adoption of the Probate law became effective on April 22, 2026. The Probate law will remain effective until October 22, 2026. There will be one (1) opportunity to extend the emergency adoption of the Probate law for an additional six (6) month period.

### **Higher Education Grant Law**
