

ACCEPTABLE DOCUMENTS FOR PROOF OF RESIDENCY

The Oneida Nation has the authority as a Sovereign Nation to register vehicles to Oneida tribal members who **reside within the boundaries of the Oneida Reservation**.

Oneida does **not** have jurisdiction to legally register for tribal members living outside the boundaries of the reservation. Attempts to register if you do not reside within the boundaries could be considered Fraud or Tax Evasion.

Documents presented as proof must be dated within 30 days (except identification cards) unless otherwise specified by Licensing staff.

All documents may require additional review.

Oneida Licensing will decline to accept any document presented if it has reason to suspect the authenticity of the document.

If there is an address discrepancy, additional forms of verification may be requested prior to becoming eligible for tribal registration.
