

On-Line Electronic and Hazardous Waste Voucher Service Available to Oneida Membership

The Oneida Land, Environmental, Agriculture and Food as Medicine Division and Oneida Utilities Department, is pleased to announce the resumption of the voucher program for electronic and hazardous waste disposal at the Brown County Hazardous Material Facility.

It is available through the Oneida Nation's Members Only website at <https://oneidaportal.powerappsportals.com/>.

Once logged in go to Waste Voucher Redemption at the top of the page and follow the prompts. The voucher description provides additional information about acceptable items, hours, disposal facility location and voucher application. Vouchers are limited to one per member per month.

For members without access to the computer, they can call any of the contacts listed below:

- Victoria Flowers, Environmental Compliance Coordinator (920) 366-6720
- Bridget John, Utilities (920) 496-5291
- Jacy Rasmussen, Office Manager (920) 869-4555

Once the voucher form is completed, the applicant will receive the voucher by email, and the Hazardous Material Facility will receive a notification. When you go to the facility, give them your name and, if asked, present your Tribal ID. Also provide the facility with a printed copy of the voucher you received by email.

The image shows a sequence of four screenshots illustrating the navigation process on the Oneida Nation Members Only website to access the Waste Voucher Redemption service.

Screenshot 1: The main website landing page. The URL in the browser is <https://oneidaportal.powerappsportals.com>. The Oneida logo is in the top left. The top navigation bar includes links for Home, Higher Education, About Us, Request Citizen Account, and Sign in (circled in red). The main banner features the text "Shekóli and Welcome to Yukwatsistayá? (You-gwa-jees-stai)" and "Our fire, our spirit, within each of us".

Screenshot 2: The "Waste Voucher Redemption" page. The URL is <https://oneidaportal.powerappsportals.com/wastevoucher/>. The navigation bar includes Home, Change Requests, Payment Information, Waste Voucher Redemption (circled in red), Higher Education, About Us, and Resources. The main banner says "Electronic & Hazardous Waste Vouchers". A "Create New Voucher" button is circled in red.

Screenshot 3: The "Waste Voucher" form page. The URL is <https://oneidaportal.powerappsportals.com/wastevoucher/>. The form includes fields for Applicant, Email, and Phone. Below these fields is an "Agreement" checkbox and a "Submit" button.

Form Fields:

Applicant:

Email:

Phone:

☐ **Agreement**
 By checking this box and submitting this application you agree that you are the requester and the voucher will be used for your personal use only.
